

Every Generation Must Rediscover the Truth!

By David J. Stewart

"What luck for the rulers that men do not think." —Adolf Hitler

Every generation must rediscover the truth for itself. Truly, mankind is utterly foolish—blinded by his own sinful pride and willing ignorance. No wonder history always repeats itself. It is startling to me as I study history, to realize that the same type of Nazi-fascism at work in our government today, is clearly evident in past tyrant dictatorships. It was none other than the monster Adolf Hitler who stated... "What luck for the rulers that men do not think." In your face America!

Hitler also stated...

"All propaganda must be so popular and on such an intellectual level, that even the most stupid of those towards whom it is directed will understand it. Therefore, the intellectual level of the propaganda must be lower the larger the number of people who are to be influenced by it." —Adolf Hitler, "Mein Kampf" (1926)

Hitler just described FOX NEWS! Please see: [OUTFOXED: Rupert Murdoch's War On Journalism!](#) (1 hr. 17 min. free video). "[FOX LIARS](#)" is more appropriate than FOX NEWS! Here's an eye-opening statement by Adolf Hitler concerning the effectiveness of telling BIG LIES...

"The great masses of the people... will more easily fall victims to a big lie than to a small one." —Adolf Hitler

Does the 911 attacks come to mind? The 911 attacks signified the beginning of the *New World Order* (NWO), i.e., a Godless Totalitarian Communist Global Police State. This will be the Beast System of the Antichrist.

"Communism is not [and never was] a creation of the masses to overthrow the Banking establishment, but rather a creation of the Banking establishment to overthrow and enslave the people." — Anthony J. Hilder

Please read: [Communism & NWO—Wall Street's Utopian Hoax!](#) The Banking Cartel (which owns and control the [Federal Reserve Bank](#)) are evil to the core. Here's a free eye-opening video about the criminals who own the Federal Reserve System... [The Creature from Jekyll Island: A Lecture on the Federal Reserve](#) (download: [Real Audio](#) | [MP3](#)). G.

Edward Griffin exposes the most blatant scam of all history. It's all here: the cause of wars, boom-bust cycles, inflation, depression, prosperity. Again, let me quote to you one of the most ruthless mass murderers who ever lived, Adolf Hitler:

"Through clever and constant application of propaganda, people can be made to see paradise as hell, and also the other way around, to consider the most wretched sort of life as paradise." —Adolf Hitler, "Mein Kampf" (1926)

Woe unto America, for we are an ignorant, sinfully proud, stiffnecked people! Love for sin always causes a society to become apathetic and complacent concerning morality, justice and freedom.

"Every successful revolution puts on in time the robe of the tyrant it has deposed."
— Barbara Tuchman (American historian, 1979)

"The evils of tyranny are rarely seen but by him who resists it." —John Hay, 1872

There is an ongoing relentless effort to remove handguns and small firearms from America's citizens. [All Firearms Will Eventually Be Banned in America](#). Why do they want to take away our 2nd Amendment right to bare arms? What are they planning to do to us? Why is the government building more [concentration camps](#) across America? Tyranny thrives in a complacent society. [Gun control](#) doesn't make society safer, it only makes us vulnerable to government tyranny and to the criminals who still have guns.

Here's what Hitler had to say about gun control...

"This year will go down in history. For the first time a civilized nation has full gun registration. Our streets will be safer, our police more

efficient, and the world will follow our lead into the future." — Adolf Hitler 1935

The average American is stupid. I didn't say ignorant, I said stupid! Sadly, Christians are included here. An ignorant person just needs to be informed and then they aren't ignorant anymore; BUT, an idiot, or stupid person, refuses to listen when you try to tell them the truth.

Here's some really scary quotes made by some foolish people...

"We can't be so fixated on our desire to preserve the rights of ordinary Americans to legitimately own handguns and rifles" —Bill Clinton, March 1, 1993, Remarks by the President In Discussion With National Service Volunteers, Learning Center New Brunswick, New Jersey

"We're here to tell the NRA their nightmare is true!... We're going to hammer guns on the anvil of relentless legislative strategy. We're going to beat guns into submission!" —Rep. Charles Schumer on NBC Nightly News Nov. 30, 1993.

"Banning guns addresses a fundamental right of all Americans to feel safe." — Sen. Dianne Feinstein quoted by AP on Nov. 18, 1993

Street criminals will always have weapons! You can take away their guns, but they'll just use tasers, knives or a baseball bat. And let's be realistic here... criminals will always have guns, even if they have to make their own. Banning guns will just create a lucrative black market for more weapons. Listen to what former U.S. Attorney General, [Janet Reno](#), said in December of 1993...

"Waiting periods are only a step. Registration is only a step. The prohibition of private firearms is the goal." —Former U.S. Attorney General, Janet Reno

Communism by nature requires the confiscation of citizen's guns, because it is a brutal tyrant method of governing. Communism and freedom are diametrically opposed to each other. Tragically, American CITIZENS won't realize this until it's too late. We've been deceived with lies, falsehoods and misinformation.

Literally, America is filled with a bunch of idiots who believe everything they here on FOX NEWS. Here's a good quote...

"A man's judgment cannot be better than the information on which he has based it... Give him no news or present him only with

distorted and incomplete data, with ignorant, sloppy or biased reporting, with propaganda and deliberate falsehoods, and you destroy his whole reasoning process and make him something less than a man." — Arthur Sulzberger - (Publisher, New York Times - 1948)

Now you know why Democrats and Republicans are the only two political parties to ever control *The White House*. It was [Pastor Lester Roloff](#) who said, "*There's only one power greater than the newsmedia and that's the power of God.*" The newsmedia is owned and controlled by evil corporations, who are in bed with the *New World Order* thug gang, many of whom are members of *The Council On Foreign Relations* (CFR). Satan is the god of this world (2nd Corinthians 4:4), and he operates in secrecy through demonic [occult organizations](#), such as [Freemasonry](#) and [The Order of Death](#) (aka, *Skull and Bones*) whose members are the movers and shakers of this sinful world. The CFR is the visible organization of the Illuminati, and they are [sworn to the destruction of America's sovereignty](#). Secrecy is the beginning of tyranny.

Listen to what one of the biggest mass-murderers in history, Joseph Stalin, had to say about education...

"Education is a weapon, whose effect depends on who holds it in his hands and at whom it is aimed." — Joseph Stalin - 1934

Stalin called education a weapon! Should it be surprising that Karl Marx's [10th Plank](#) of his *Communist Manifesto* called for a public school system!!! No wonder America's citizens are so dumb! The average person thinks that voting is the best way to change things. No sir! The best way to change things is by EDUCATING the public! This is why I promote the website... [www.infowars.com](#), operated by Alex Jones. There is a war on for your mind America! Stalin is correct... education is a weapon, and it's the most powerful weapon America's citizens have against tyranny, next to owning some GUNS! What are you doing to unlock minds?

The whoremongering country-club Banksters, swine puppet politicians, and criminal global elite are causing a controlled implosion of the U.S. economy. Their plot is to implode our economy and then they'll come in and pose as our saviors. They lie, they lie, they lie!!! This is a globalist program of corruption, banking fraud, treason and criminal tyranny. Our government has been overrun with criminals and control freaks.

Please understand that I am all for government. The Bible teaches in Romans 13 that every Christian should have allegiance for the government. Albeit, the Bible also commands us to rise up against evildoers and to stand up against the workers of iniquity (Psalm 94:16). God hasn't changed (Malachi 3:6; Hebrews 13:8). The same God Who hated sin and evil in the Old Testament, still hates sin and evil today thousands of years later.

Daniel broke the law, deliberately, when evil men made a law forbidding prayer (Daniel 6:11-14). Carefully notice in Daniel 6 that it was wicked men who influenced the passing of a law to prosecute Christians. We see the same evil happening in America today. There is [legislation in the works](#) to prosecute Christians for speaking our publicly against

the evils of homosexuality and abortion. Times are changing. Liberty is not a guaranteed right, it must be fought to keep.

Daniel prayed 3 times a day and deliberately broke the law when he was told not to pray. Daniel broke the law!

The Apostle Paul and the disciples broke the law when they were ordered by a magistrate not to speak in Jesus' name anymore. They kept on preaching! It takes a good man to break laws made by bad men.

It is sad but true... every generation of youth must rediscover the truth for themselves. This is why the government sends out our youth to die in wars that have absolutely nothing to do with preserving America's freedom... because they're dumb enough to do it. I didn't say that, Henry Kissinger did...

"Military men are just dumb stupid animals to be used as pawns in foreign policy."

SOURCE: Henry Kissinger, quoted in "Kiss the Boys Goodbye: How the United States Betrayed Its Own POW's in Vietnam"

U.S. Government Betrayed and Abandoned Hundreds of Vietnam POWs

An Open Letter to Those in the U. S. Military and Those in Law Enforcement

Call me what you will... I firmly believe that every Christian youth today should be a *conscientious objector* to tyranny, illegal wars and massive corruption. God tells us to rise up against evildoers (Psalm 94:16). You need to really think twice before enrolling into the military. Are you ready to kill innocent people, do the dirty work of the Banksters (Military Industrial Complex), and be exploited as paid heroine farmers in Afghanistan?

It makes me angry when I think about the naive parents and youth, who are lied to by the government, told that our sons and daughters are serving their country by enrolling into the military; but then our children are exploited as paid mercenaries to steal, kill and destroy under the false pretense of freedom and liberty. I just gave you Henry Kissinger's opinion of your sons in the military, which he calls "stupid animals." Kissinger is not alone, read what John Kerry has to say about your children...

That's what our leaders think about the troops. This is what the elite think about the troops. Here's what senator John Kerry said about the troops . . .

"Education, if you make the most of it, you study hard, you do your homework, and you make an effort to be smart ... you can do well. If you don't, YOU GET

STUCK IN IRAQ."

— Senator John Kerry

What an insult to America's troops! Accordingly to John Kerry, being in the military is for lazy, poor and unfortunate young men and women. Over 5,000 troops are now DEAD!!! And shockingly, 1,339,771 Iraqis have been slaughtered in the U.S. war and occupation of Iraq. Alan Greenspan, who headed the Federal Reserve Bank for 19-years, stated that the Iraqi war is mostly about oil.

The issue over supporting the troops is a hot potato. Many Christians are unquestioningly in support of America's military, regardless of how many innocent people are murdered. Americans still don't get it. The newsmedia has blindly led Americans to support tyranny, theft and mass-killings.

I am not against serving one's country in the military; I am against the exploitation of our sons and daughters as paid mercenaries. I am not against the government; I am against evil and corruption. I am not anti-American; I love my country, but I am broken-hearted over the evil in our nation.

The criminals who have stolen our government are going to label patriotic Americans who expose them as being nuts and terrorists. Most Christians still don't get it... thieving, murderous, lying, ruthless criminals have hi-jacked the White House. They have placed their accomplices into key government departments like Homeland Security, FEMA, the F.B.I., et cetera.

And of course the CIA has always been anti-American and evil. The CIA is commonly said to be the *Cocaine Import Agency*. Faithful members in congress (Dr. Ron Paul, Rep. Cynthia McKinney, Rep. Maxine Waters and many others) have rebuked the CIA for trafficking drugs. It's not a conspiracy theory. FOX News has openly reported that U.S. troops are being used to protect the opium (heroin) crops in Afghanistan. It's blatant evil in our faces. Do some research and you'll find hundreds of resources concerning the illegal drug empire and organized crime within the CIA and other government departments.

Please don't misunderstand me, the Bible teaches submission to government. We ought to continue to owe allegiance to government, which is ordained of God in Romans 13. However, we are equally commanded by God to rise up against evil, tyranny and corruption (Psalm 94:16; Ephesians 5:11) that rob men of their money, homes and retirements. For Christian leaders to teach blind submission to government in view of the blatant acts of criminal treason and theft being committed in broad day light is the epitome of apostasy!!!

The global elite who have infiltrated our government in key top departments (including the Supreme Court) are ruthless, having [TSA stick their hands down your pants](#) at the airports to break your will by groping you and your girlfriend or wife, and the children; and [it's only the beginning](#) of the tyranny. These criminals have created a boogiemane called "the war on terror," which is being used to enslave Americans, steal our liberties and destroying our nation's sovereignty.

For those believers who think Romans 13 teaches unquestioning loyalty to government, the [Bible NEVER teaches Christians to offer blind loyalty to criminals](#). Most Christians don't even understand what the [Federal Reserve Bank](#) is, let alone how wicked it is and what the Banksters are doing to [ruin America](#).

The Bible teaches to love thy neighbor as thyself (Matthew 19:19). All I am doing is placing myself into the shoes of the Iraqi people. America coveted, beared false witness, killed and stole Iraq's oil. That's 4 of the 10 Commandments we've broken already. Yet, [heathen religious people think this is God's will](#). At least [1,455,590 Iraq's are dead](#). If we were the victims, then our attitudes would quickly and drastically change toward the Iraqi conflict. Look at the devastated child to the right. What if that were your child? Would you still support the troops?

As long as Americans are comfortable, they won't care; but things are quickly changing. Tyranny is coming full-force to America. Massive poverty is coming. America is going to become as a third world nation. God's judgment is upon us. I am not against going into the military, not at all. I am against tyranny and using our troops to commit evil. When you've got criminals [committing treason](#) in government, betraying our nation's sovereignty, deliberately bankrupting our economy, and exploiting our youth to build a New World Order, I have to object. The bottom line is that the U.S. Military is being exploited by the global elite as paid mercenaries to achieve a New World Order.

Many Christians today are foolishly blind, believing that we are Biblically obligated to unconditionally obey the government—in spite of the government's blatant crimes, tyranny and infringement upon our legal rights outlined in the *U.S. Constitution* and *Bill of Rights*. Nothing could be further from the truth! Our first allegiance is to God, truth and justice; NOT the government.

What is Wrong With people?

By David J. Stewart

The American people are some of the most gullible, naive and foolish people in the world. I cannot believe how resistant Americans are to THE TRUTH, and that includes Christians as well. Most people are woefully ignorant of the truth. Being ignorant is one thing, but blatantly denying the truth in view of plain evidence is hard-heartedness and evil. I agree 100% with the following paragraphs written by Karen De Coster (Lewrockwell.com)...

"I have discovered that people are either completely bought and sold on the propaganda, and therefore livid that I would dare to utter the truth, or, they are so tired of the relentless embellishments that they write and cheer me on. There seems to be no middle ground with folks. It's a love or hate situation in terms of the State's worn-out propaganda tactics."

SOURCE: [Jessica Lynch and the Lies of the State by Karen De Coster](#)

So true! It has become so bad in America that anyone who dares to think for them self is demonized as being pro-terrorist, labeled as being unpatriotic and made to feel like a criminal for speaking the truth...

"Whenever the State has another one of its wars, it has to win support for that war, and it does so through that collectivist concept known as unity. Unity means that you don't dare think for yourself. Unity means that you fold yourself into the collective mold, toss reason and critical thinking out the door, and let the lion's share of emotions around you dictate your next train of thought and any subsequent moves. It means you rally 'round the Yellow Ribbon Campaign of Folly. And it means you don't dare ask questions or seek facts, because the picture has already been painted for you, in total, and any additional brush strokes on your part will land you in the propagandist's gulag because you disrupted the joy of unity. Your anti-unity, independent thought process denies Hillary's Village and its justification for existence."

SOURCE: [Jessica Lynch and the Lies of the State by Karen De Coster](#)

The truth has never been popular, but it is worth dying for. The truth can be dealt with, but a lie cannot. We are living in the last days. The New World order is here. It is the mindless blind loyalty of people today that will make the appearance of the Antichrist a sure success. The best place to HIDE a lie is between two TRUTHS. This world is ready to receive the man of sin, the Beast, the Antichrist! It is frightening how loyal people are to tyrants, criminals and treasonous traitors in government. Incredible corruption is

growing! The founding fathers jealously guarded liberty and freedom; but now you're considered kooky, evil and a potential killer by police for talking about the U.S. Constitution. Corrupt elements have taken over almost every position of power. We are in a battle for our liberty. There is a war on for your mind!

Our nation has political, moral and economic cancer... CODE BLUE! We've been positioned into economic collapse. The dots have been drawn and are now being connected. Tyranny is upon us!!! Everything is backwards nowadays! Reality has been distorted. The bad guys (corrupt politicians and criminal Banksters) are called the good guys, and the good guys (the patriots and Christians) are called the bad guys. The lying Federal Reserve Bankers keep saying they just need another \$700,000,000,000 from congress and then the economy will be ok. They keep asking for more and more, but it's a big sucking black hole. Our nation goes further and further into massive debt, and everything continues to get worse. Those men should be tried and hung for their crimes against our nation. The Federal Reserve Bank is treason!!!

Insouciant Americans (by Dr. Paul Craig Roberts)

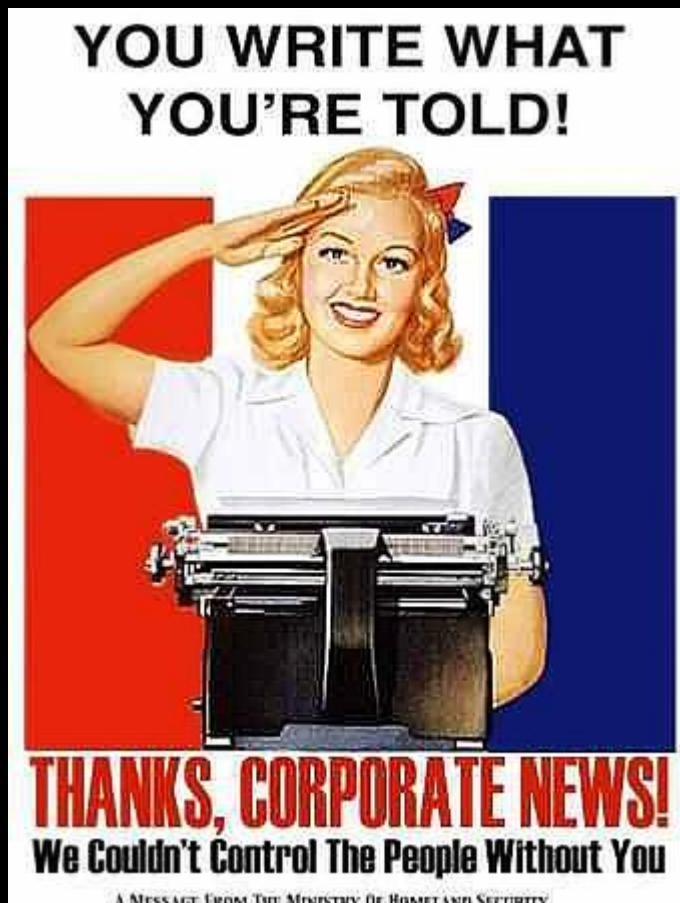

You will NOT find freedom in America. It is now utterly impossible. Wherever you may go, you will be surrounded by insouciant [marked by blithe unconcern] people and they are the real force you are having to struggle against, and they will always hold you down.

America WANTS to be the way that it is today, by choice. All the claims for freedom and a return to liberty are factually false. Those that hold these beliefs are guilty of blatant hypocrisy and their own

reluctance to practice what they preach. The rest of the country simply doesn't want it either.
